Dear Fellow Parents and Guardians,

Last week we informed you about the **December 3rd** vote to fill a vacant seat on the VIS Board of Governors. This week we want to remind you to set aside **December 3, 2018**, the date of our General Assembly, in your busy calendars.

This year's election will affect us all because it will influence annual tuition rates and the School's facilities. We have a massive construction site at the School's door that is about to change the way we access the School. Most importantly, in the next few years the School could have the opportunity to grow if the right investment choices are made.

In just a few more weeks we will send you information about the candidates standing for the open Board position and will facilitate opportunities for you to meet and question them directly.

Most importantly, we need you to come to the General Assembly and cast your vote on December 3rd.

Our community needs your vote!
