

Hello Everyone;

My Name is Benjamin Diaz and I have been working on a Service and Action activity and wanted to offer the opportunity for others to join me.

For the last two summers I have helped bake cookies and decorated gift bags for the security force at the Vienna International Center. At the beginning of the school year I was given a tour of the security offices and learned about the important job that the security forces do to make sure the employees there are safe.

I would like to bake cookies for the holiday season and deliver them to the security staff at the VIC on the 14<sup>th</sup> of December. I want to extend the opportunity for others to participate as well.

Here are ways you can participate:

- Bake 2 dozen cookies and bring them to the octagon before school starts on the **mornings of the 12<sup>th</sup> and 13<sup>th</sup> of December.**
- Help collect the cookies on the **mornings of the 12<sup>th</sup> and 13<sup>th</sup> of December.** (Max. 3 people)
- Make drawings/cards for the officers and bring them to the octagon before school starts on the **12<sup>th</sup> and 13<sup>th</sup> of December.**
- Help packing the cookies **after school on the 13<sup>th</sup> of December.** (Max. 3 people)
- Help distributing the cookies at the VIC on the **14<sup>th</sup> of December after school.** (Max. 3 people-must have access to the VIC)
