

On our website www.demfort.at you will find a link to our new onlineshop in the upper right corner:

Or you can enter the shop address www.demfort.at/shop directly. At the earliest 4 days after your photo appointment, enter your login data from your **access slip** in the appropriate fields.

Please wait until your photos are **fully loaded**:

In the **Fotoabzüge** category you will find photos in various sizes. Under **Fotoprodukte** you will find various products such as acrylic pictures or magnets.

If you would like to purchase a product, click on **"Fotos wählen"**. An online designer will open. Here you can edit your photos on your own:

- select desired photo
- define format (portrait/landscape)
- define cropping
- select an effect (black and white/sepia)
- define quantity

When you are finished with this product, click on **"In den Warenkorb"**. You can then edit other products.
