## AN OVERVIEW OF THE

# 2022/23 EUREST FOOD AND BEVERAGE PROGRAMME

### **COST OF LUNCH**

The cost for a daily menu without beverage is € 4,05 for ELC students, € 5,20 for Primary School students and € 5,95 for Secondary School students.

Our menu contains soup of the day, a main course from the choice of three daily menus and a dessert or fruit.

### **YEARLY, SEMESTER OR QUARTERLY PREPAYMENT OF LUNCH**

Parents may select to purchase „prepaid“ lunch quarterly, per semester or for the entire year. The prepayment prices for lunch are listed in Eurest Pricelist 2022/23.

By choosing prepayment, Eurest will grant you a deduction of 2 – 5% off the regular menu price.

### **REGISTRATION**

If you choose for your child to participate in the Eurest Prepaid school lunch programme, please register with Andrew Warren, Eurest Unit Manager. All registrations must be in written form.

Registration forms can be found at the VIS admissions office, the Eurest office (next to the dining room) or on the

VIS homepage and Moodle (download as pdf file). Please fill in the form and return it to Andrew Warren either via post, email ([andrew.warren@eurest.at](mailto:andrew.warren@eurest.at)) or in person. When your registration is received, Eurest will send your invoice via email.

The Prepaid programme can be joined at any time. Please contact Andrew Warren regarding conditions concerning possible deductions.

### **MENU**

Students in ELC through to Grade 1 who choose to have lunch at school are served a set meal. These meals are selected with balanced dietary considerations in mind as well as students' tastes and preferences. The ELC – Grade 1 choice is marked with “ELC” on our weekly menu plans.

As of Grade 2 a choice of one of our three different menus is available. As of Grade 6 a wide variety of food is available during lunchtime. This includes our 3 different menus, as well as pasta and our Special Dish of the day.

### **SUBSTITUTIONS**

Students in Grades ELC – Grade 5 are not allowed to substitute from the set menu.

As of Grade 6, students can take other a la carte items. However, if the amount of a regular prepaid meal is exceeded, the overspent amount has to be paid cash.

### **STUDENT ABSENCE**

It should be noted that when a student who has prepaid lunch for the year is absent, no credit is given for that day. However, the discount for prepayment is calculated in such a way that a student could be absent for several days and still benefit a discount off the regular price.

### **EUREST LUNCH CARD/EDU CARD**

Students use their EDU Card to pay for items bought in the VIS Cafeteria. The Card can be used in several ways:

1. If a parent chooses the prepayment programme of food, the Lunch Card is computer-coded to indicate this. All the student needs to do is show the card at the checkout.
2. Students who do not select the prepayment options can „load“ their Cards with funds, creating a balance from which each day's lunch is deducted. This „loading“ of money onto the student's card can be done in cash at one of our four cash registers, via bank transfer (see below or registration form), or directly with Andrew Warren.
3. Students who have chosen the prepayment options but who would also like to purchase extras (i.e., a croissant or a drink) can use the same procedure as above for crediting money to their card. At the lunch checkout, the prepayment is noted on the card, and extra items are paid for by deducting from the credited amount.

## AN OVERVIEW OF THE

# 2022/23 EUREST FOOD AND BEVERAGE PROGRAMME

### OVERDRAFT

We recognize that a student or parent may forget to add money to the Card.

We allow any student to overdraw (i.e. negative balance) for two (2) days or minus € 15,00. Thus, if a student comes to school and tries to purchase lunch with a card that has insufficient funds, the student will be given the lunch and the card will show an overdraft of the amount needed.

Until sufficient funds are added to the card to bring the balance to zero, students will only receive either a simple pasta dish or a soup, but we will never deny a student food!

All lunch card accounts are reviewed every three to four weeks, and when students have negative balances their parents will be notified via email.

Please note: Overdrafts will not be permitted during the last three weeks of the school year. Lunch card debts must be cleared.

### LOST AND FORGOTTEN ID-CARDS

If a student forgets his/her Lunch Card at home, he/she should wait at the end of the lunch line. Our Cashier will be able to identify the student's ID number and make the entry manually. The student's identity will have to be confirmed by a teacher.

As this procedure is lengthy and holds up the checkout, we ask all students to ensure that their EDU cards are brought to school every day.

If a Lunch/EDU Card is lost, a replacement can be obtained easily within 14 days after reporting the loss to the security office at the front gate office. The replacement of a card costs € 15,00. Once a Lunch/EDU Card is reported lost, it is deactivated immediately.

### WITHDRAWAL

If you decide to leave our school lunch programme, withdrawal must be in written form and your account will be charged until the end of the month following the date of your giving notice.

In case of a withdrawal, the refund process will be handled as follows:

We will invoice you for the actual days of school until the stated withdrawal date, and the remaining funds will be transferred to your bank account. No refunds can be made in cash.

Please note: In case of a withdrawal, we are not able to grant you any deduction of our set menu prices. We will invoice you the regular menu price.

### PAYMENTS

We are only able to accept cash payments or payments made via bank transfer. We are not able to accept credit cards or bank cards. **All payments are due in advance!**

### CONTROL

Parents can receive a printed "Consumption List" at any time on demand. We believe this can be a good "tool" for cost control.

### ADVANTAGES

By participating in our prepaid lunch programme, the student has the advantage of purchasing food and beverages at a value of € 5,95 (i.e. a "daily allowance") but you only pay € 5,67 (yearly payment -5% off regular menu price). Please note that this is an example and applicable for students in grade 6 to grade 12, and based on the „yearly“ payment option.
