

## **BLAGUSS Hygiene concept**

Traveling together also means taking care of one another and showing consideration for everyone on board. By doing that everyone will feel comfortable and safe during the journey. Please take notice of our “COVID-19 Hygiene concept”, which will help to protect you, your loved ones and our staff. Together we want to master these extraordinarily difficult times and still be able to enjoy carefree travel moments. BLAGUSS – as everyone has “a common” goal.

### **Disinfectants and hygiene**

For your and our protection, please disinfect your hands when boarding the coach. On the coach please pay attention to the cough and sneeze etiquette.

### **Thorough coach cleaning**

The cleaning of the bus after every trip will be even more comprehensive. All critical contact points (such as handles, armrests, headboards, etc.) will be cleaned with disinfectant.

### **Mask requirement and safety distance**

Please wear your own mouth and nose protection during the entire journey. Please also pay attention to the safety distance while boarding or exiting the coach.

### **Excellent ventilation in the coach**

State of the art ventilation and air conditioning systems with powerful filters including direct fresh air supply, which completely exchange the air every 60 seconds.

### **Preferred seating and seating distance**

Of course we comply with the statutory requirements applicable at the time of travel. The seats are distributed evenly depending on the occupancy. Please always use the same seat on the bus during the journey.

### **Baggage and seat allocation**

Your luggage will only be loaded and unloaded by the bus driver. During this procedure our drivers wear disposable gloves, which are then discarded.

### **Onboard toilet**

For reasons of hygiene, we are obliged to close the toilet on board. However, we will allow a sufficient number of breaks for you.

### **Sufficient breaks**

Sufficient breaks for ventilation and toilet visits are planned during the journey. Please note that sale of food and beverages is only possible to a limited extent.

### **Waste disposal**

Please only dispose of rubbish in the garbage cans provided, please do not put any rubbish in the seat pockets.

### **Occurring disease symptoms**

In case you experience any flu symptoms please inform us immediately. Please do only board the coach if you feel fit and healthy.
