Please use our online registration form <https://forms.office.com/e/ygChxNiaaU> for the pre-paid school lunch programme. Once we receive your registration, Sodexo will send your invoice via E-mail.

You can join our pre-paid school lunch programme at any time. The deduction from the set menu price will be calculated based on the remaining days of school.

If, for any reason, you decide to leave the programme, we will charge you until the end of the month following the date you give notice. Please understand that a withdrawal must be send as email to vis.catering.oss.at@sodexo.com one month in advance.

In case of withdrawal, the refund process will be handled as follows: We will charge you for the actual days of school until the stated date. You will receive a credit note for the remaining days. The remaining amount will be transferred to your bank account with the next possible payment run. No cash refunds will be provided. Additionally, we cannot grant any deduction from our set menu prices in case of a withdrawal; you will be charged at the regular menu prices.
