

VIENNA INTERNATIONAL SCHOOL
seeks a
Chief Digital Information Officer (CDIO)
Starting date: August 1, 2018 or earlier, if possible

THE SCHOOL

The Vienna International School (VIS) is an independent, not-for-profit, preK-12 coeducational day school operating in the city of Vienna, Austria. VIS was founded in 1978 to serve the children of the United Nations and diplomatic communities in Vienna. It is also open to children of the international business community and a limited number of Austrian families.

The enrolment for the school year 2017-2018 is 1403 students representing over 100 nationalities. In most grades, there is a waiting list for entrance into the school.

VIS offers an international university preparatory curriculum leading to the International Baccalaureate Diploma, a VIS Academic Diploma or a VIS General Diploma. The School is accredited by the Council of International Schools and its curriculum is approved by the Austrian Ministry of Education. VIS recently became the first recognized Eco-School in Austria. The School is divided into two major divisions: Primary and Secondary.

PRIMARY SCHOOL

The Primary Division is sub-divided into Pre-Primary (ages 3 through 5) and Primary (Grades One through Five) and implements the IB Primary Years Programme. Specialist teachers are available to teach Information Technology, English as a Second Language, German, Library Skills, Music, Physical Education and the Learning Support Programme. Classroom teachers are responsible for other core subjects.

SECONDARY SCHOOL

The Secondary School includes students from Grades 6 through 12. In Grades 6 through 10, students follow the IB Middle Years Programme (MYP) which was fully authorized in 2012. Subjects offered include English, German, French, Spanish, Mathematics, Sciences, Humanities, Physical Education and a choice of a creative arts and/or technology based subjects. The MYP programme prepares the students for the rigour of the IB Diploma in Grades 11 and 12 and the opportunity to gain the Austrian Matura.

FACILITIES

The school buildings include a Pre-Primary block, a Primary School wing and a Secondary School wing. In addition, there are art studios and music rooms, seven science laboratories, four computer laboratories, a Secondary School library and audio visual media centre, a Primary School library, theatre, cafeteria and five gymnasiums. The campus includes a playing field and running track, two all-weather sports areas, three playgrounds, an outdoor theatre arena and a small ecology area.

FACULTY AND STAFF

The strength of VIS resides in its highly qualified and dedicated faculty and staff. Many possess advanced degrees and several have served for many years at VIS. The Senior Leadership Team includes a Principal of Secondary, two Deputy Principals of Secondary, a Principal of Primary, a Deputy Principal of Primary, a Business Manager and now this advertised role of CDIO. The faculty is highly diverse, with 36 nationalities comprising 178 Teachers, Counselors, Specialists and Educational Support Staff.
